Neighbors Helping Neighbors: *Lyndhurst Police Emergency Squad*

The Lyndhurst Police Emergency Squad is a nonprofit ambulance and rescue service comprised of local volunteers. Lyndhurst prides itself on having committed and loyal volunteers who respond to more than 1900 emergency calls a year.

Every May, each Boiling Springs Savings Bank branch location will be hosting a collection drive for a different local nonprofit organization in our Community Alliance Program.

We are asking our customers, employees, and friends to help our neighboring nonprofit organizations by **donating items they need between now and Saturday, May 30th**. Your donation will help them to continue their focus—helping the people in our surrounding communities.
